Dear Mr. Bowen:

It is with great pleasure that I extend my thanks to you for your assistance in the **Cady Way to Fashion Square Mall Greenway** project.

Without your help and support this project would not have been accomplished in the time it was.

Your role in the completion of this project was very important to the project's success and is a positive example of citizens working with your City staff for the benefit of the community.

Congratulations on a job well done!

Sincerely,

Mayor Glenda E. Hood
